

IASGO Thailand Chapter IASGO Thailand Chapter Annual Meeting 2025 22-23 November 2025

Theme: Knitting the Future of Colorectal Disease Management
Pullman Bangkok King Power Hotel, Bangkok, Thailand

Pre-Meeting: ESD & EMR Workshop at Olympus Thai Training & Education Center (T-TEC)

Friday, 21 November 2025

08:00-10:00 Morning Session: Expert Lectures

“From Polyp to Precision: Essential Skills in Colorectal Endoscopy”

Classification of Colorectal Lesions: From NICE to JNET

[Uayporn Kaosombatwattana \(Gastroenterology, Thailand\)](#)

Cold Snare Polypectomy: Technique and Safety

[Tanyaporn Chantarojansiri \(Gastroenterology, Thailand\)](#)

Underwater EMR (UEMR): Float-and-Cut Approach

[Krittin Kajohnwongsatit \(Surgery, Thailand\)](#)

Hot Snare EMR: Standard Resection with Confidence

[Issaree Laopeamthong \(Surgery, Thailand\)](#)

Colorectal ESD: Expanding Horizons in Precision Resection

[Hathaiwan Mounghard \(Surgery, Thailand\)](#)

Difficult Polyps: Non-Lifting and Local Recurrence Management

[Thititthep Limvorapitak \(Surgery, Thailand\)](#)

Hemostasis & Closure: Preventing and Managing Complications

[Chonlada Krutsri \(Surgery, Thailand\)](#)

10:00-16:00 Hands-on Workshop Rotation 1-8

Main Meeting Day 1 at Infinity Ballroom, G Floor, Pullman Bangkok King Power Hotel

Saturday, 22 November 2025

08:00-08:30 Registration

08:30-09:15 Session 1: Honorary Lecture

Moderator: [Art Hiranyakas \(Surgery, Thailand\)](#)

08:30-09:15 Rectal Cancer - A Non-Surgical Disease?

[Paisit Siriwittayakorn \(Surgery, Thailand\)](#)

09:15-10:00 Session 2: Hot Topics

Moderator: [TBA](#)

09:15-09:30 Sphincter Saving Surgery: the Promising Evidences

[Art Hiranyakas \(Surgery, Thailand\)](#)

09:30-09:45	Metastatic Colorectal Cancer: From Palliative to Aggressive Care Krittiya Korphaisarn (Medical Oncology, Thailand)
09:45-10:00	Proton Therapy in Rectal Cancer Napapat Amornwichet (Radiology, Thailand)
10:00-10:30	Coffee Break
10:30-11:15	Session 3: Making a Difference Moderator: TBA
10:30-10:45	Avoiding Catastrophes in Laparoscopic ULAR Francis Seow Choen (Surgery, Singapore)
10:45-11:00	Local Excision for Rectal Tumor: the Available Options Woramin Riansuwan (Surgery, Thailand)
11:00-11:15	Colorectal Cancer Specimen: What to Expect? Anapat Sanpavat (Pathology, Thailand)
11:15-11:30	Session 4: The Best Paper Awards Moderator: TBA
11:30-12:00	Welcome & Opening Announcement Sa-ard Treepongkaruna (Surgery, Thailand) Kyoichi Takaori (Surgery, Japan)
12:00-13:00	Luncheon Symposium I (Supported by Medtronic)
13:00-13:45	Session 5: Core Subjects Update Part 1 Moderator: TBA
13:00-13:15	CME with CVL in Colon Cancer: Current Status Joseph Roy Fuentes (Surgery, Philippines)
13:15-13:30	Left-Sided Colonic Obstruction: What Are the Options? Athaphorn Trakarnsanga (Surgery, Thailand)
13:30-13:45	Hereditary CRC: Diagnosis, Management and Surveillance Woramin Riansuwan (Surgery, Thailand)
13:45-14:30	Session 6: Super Session: Anal Canal Cancer Moderator: TBA
13:45-14:00	Exploring the Epidemiology, Risk Factors and Pathophysiology Kasaya Tantiphlachiva (Surgery, Thailand)
14:00-14:15	The Approach for Anal Dysplasia and Intraepithelial Neoplasm Thitithev Limvorapitak (Surgery, Thailand)
14:15-14:30	Anal Canal Cancer: Treatment Update Janjira Petsuksiri (Radiology, Thailand)

14:30-14:45	Coffee Break
14:45-15:30	Medical Horizon I (Supported by Transmedic): HIPEC: Indications & Outcomes
15:30-16:30	Session 7: Super Session: Rectal Cancer
	Moderator: TBA
15:30-15:45	TaTME: The Future Direction
	Pawit Sutharat (Surgery, Thailand)
15:45-16:00	Lateral Lymph Node Dissection: When and How?
	Siripong Sirikurnpiboon (Surgery, Thailand)
16:00-16:15	TNT: How to Increase Organ Preservation?
	Suebpong Tanasanvimon (Surgery, Thailand)
16:15-16:30	Learn the Best Imaging
	Linda Brown (Radiology, Thailand)
16:30-17:00	Session 8: Case Discussion
	Moderator: TBA
18:00-21:00	Welcome Reception

Main Meeting Day 2 at Infinity Ballroom, G Floor, Pullman Bangkok King Power Hotel

Sunday, 23 November 2025

08:00-08:30	Registration
08:30-09:30	Session 8: The Future is Now
	Moderator: TBA
08:30-08:45	Image Guided and Fluorescent Surgery: More than Just ICG?
	Pawit Sutharat (Surgery, Thailand)
08:45-09:00	ERAS for Colorectal Cancer Surgery
	Kyoichi Takaori (Surgery, Japan)
09:00-09:15	AI Endoscopy: New Frontier for Colorectal Cancer Screening
	Aroon Siripun (Surgery, Thailand)
09:15-09:30	Artisential vs. Conventional Laparoscopic Approach for Colorectal Surgery
	Yoon-Suk Lee (Surgery, Korea)
09:30-10:00	Coffee Break
10:00-10:45	Medical Horizon II (Supported by KARL STORZ)
	Art Hiranyakas (Surgery, Thailand)
10:45-11:30	Session 9: Super Session: Pelvic Floor Physiology
	Moderator: TBA

10:45-11:00	Pelvic Floor Physiology in Daily Practice Kasaya Tantiphlachiva (Surgery, Thailand)
11:00-11:15	Obstructive Defecation Syndrome: Diagnosis Thitinan Chulroek (Radiology, Thailand)
11:15-11:30	Management of Common Pelvic Floor Problems Siriluck Prapasrivorakul (Surgery, Thailand)
11:30-12:00	Session 10: Case Discussion: Pelvic Floor Moderator: TBA
12:00-13:00	Luncheon Symposium II (Supported by Johnson & Johnson)
13:00-14:15	Session 11: Core Subjects Update Part 2 Moderator: TBA
13:00-13:15	Robotic ISR; Very Low Lying Rectal Cancer Yoon-Suk Lee (Surgery, Korea)
13:15-13:30	Current Concepts in Colonic Diverticular Disease Joseph Roy Fuentes (Surgery, Philippines)
13:30-13:45	Low Anterior Resection Syndrome: What Can We Do? Siripong Sirikurnpiboon (Surgery, Thailand)
13:45-14:00	Management of Rectovaginal Fistula Francis Seow Choen (Surgery, Singapore)
14:00-14:15	Liver First Policy: When to Apply? Chairat Boonchalaew (Surgery, Thailand)
14:15-15:00	Session 12: Honorary Lecture: the Novel Treatment Option for Anal Fistula Arun Rojanasakul (Surgery, Thailand)
15:00-15:15	Closing Remarks Sa-ard Treepongkaruna (Surgery, Thailand)
15.15-15.30	Group photo
