IASGO Annual Meeting 2026

ASIA Hotel Bangkok, 10-11 October 2026

Orchestrating Multidisciplinary Treatments of Gastric Cancer

10 October 2026	
08.00 08.45	Registration
08.45-09.00	Opening Remarks: *Sa-ard Treepongkaruna*
Session I: Precision Diagnosis & Staging in the Personalized Era (Moderator: *Suebpong Tanasanvimon*)	
09.00 09.20	Advanced endoscopic diagnosis: chromoendoscopy, AI-assisted detection *Hathaiwan Muangtad*
09.20 09.40	Molecular classification (TCGA) and clinical implications *Kittiya Korphaisam*
09.40-10.00	Biomarker-driven workup: HER-2, MSI, PD-L1, CPS, CLDN18.2 *Kittiya Korphaisam*
10.00 10.20	Diagnostic laparoscopy, when to perform? *Egapong Sathitkarnmanee*
10.20-10.50	Coffee Break
Session II: Mastering the Maze: Complex Decisions in Gastric Cancer (Moderator: *Takahiro Kinoshita, Asada Methasate*)	
10.50 11.10	D2+ Lymphadenectomy: Essential for all or unnecessary trauma in the era of systemic therapy? *Woo Jin Hyuang*
11.10-11.30	Challenges in perioperative systemic treatment in gastric cancer *Suebpong Tanasanvimon*
11.30–11.50	Neoadjuvant vs upfront surgery: Surgery perspective *Asada Methasate*
11.50 12.10	Neoadjuvant vs upfront surgery: Oncologist perspective *Sun Young Rha*
12.10-12.20	Q&A
12.20 13.20	Lunch Symposium
Session III: Minimally Invasive Surgery in Upper GI Malignancy (Moderator: *Rawisak Chanwat*)	
13.20-13.40	Role of robotic surgery in upper GI Surgery *Woo Jin Hyung*
13.40 14.00	Robotic D2 Lymphadenectomy, how I do it? *Takahiro Kinoshita*
14.00 14.20	Oncologic and functional outcomes of minimally invasive gastrectomy *Bandhuphat Chakrabandhu*
14.20-14.40	Coffee Break
14.40 15.40	Industrial Symposium by Astrazeneca
	The Current Standard of Care for Perioperative Systemic Therapy in Resectable GC/GEJC *Kittiya Korphaisarn / Egapong Sathitkarnmanee*

Session IV: Multidisciplinary Session (Moderator: *Asada Methasate, Krit Kitisin*)

15.40 16.40 **Multidisciplinary session**

° Disscussant: *Woo Jin Hyung, Takahiro Kinoshita, Suebpong Tanasanvimon, Sun Young Rha, Kittiya Korphaisarn, Asada Methasate*

17.00 **Welcome cocktails**

11 October 2026

Session V: Management of Gastric Cancer: from early to advanced stage (Moderator: *Sirikan limpakan*)

09.00 09.20 **Endoscopic Management in Early Gastric Cancer**

Prasit Mahawongkajit

09.20-09.40 **Palliative surgery for advance gastric cancer with GOO**

Worapong Anuponganan

09.40 10.20 **Conversion Treatment in Unresectable / Advanced Gastric Cancer**

° Medical Oncologist Perspective

Sun Young Rha

° Surgeon Perspective

Rawat Waratchanont

10.20 10.40 **Updated Strategies for Gastric Cancer with Peritoneal Metastasis**

Vo Duy Long

10.40-11.10 **Coffee Break**

Session VI: Improving Outcome of Gastric Cancer Management (Moderator: *Sirikan Limpakan*)

11.10 11.30 **ERAS in Upper GI Surgery**

Kyoichi Takaori

11.30 11.50 **The Nutrition Team: Prehabilitation and managing the "Post-Gastrectomy Syndrome."**

Narisorn Lakananurak

11.50 12.10 **Laparoscopic Proximal Gastrectomy with Novel Reconstruction (STEGA Technique)**

Vo Duy Long

12.10-13.10 **Lunch Symposium by TBA**

Session VII: Multidisciplinary Approach: Challenging Cases Scenarios (Moderator: *Chainarong Phalanusitthepha*)

Discussant: *Vo Duy Long / Sun Young Rha / Rawat Waratchanont*

13.10-15.30 **Case 1: Management of "Gray Zone" Borderline Resectable Gastric Cancer.** (Resectable GOO)

Kittinat Timudom

Case 2: Oligometastatic disease: When is "Surgery for Cure" an option in Stage IV? (Krukenberg)

Puripat Pornwissanukul

Case 3: The Elderly & Frail: Balancing oncologic radicality with quality of life. (> 90 years old)

Wasin Chakuttrikul

15.30 16.00 **Summary & Closing Day**
